

The World is Talking about Infinity Nelsonian Optics

"I have never achieved this kind of depth nor detail without softening at such a magnification with all the systems I have used in the past... absolutely staggering."

Paul Harcourt Davies—Italy

"I used the **ROBUSTO TS-160** on product commercials and I can assure you that no other lens does what the TS-160 can do."

Roberto Laguna Ditleff—Brazil

"I have never shot with anything like it...I love this lens!!"

Scott Portingale—Canada

INFINITY—a world leader in Micro/Macro technology Introduces Unconventional Lenses for Unconventional Cinematography.

And now a marketing alliance with Edmund Optics assures you of unequalled technical assistance and service.

Infinity's new marketing partner.
