

InfiniTube™ FM-Series

- Industrial Inspection
- Experimental Setups
- Machine Vision Solutions

InfiniTube™ Standard

- Industrial Inspection
- Experimental Setups
- Machine Vision Solutions

InfiniTube™ ULTIMA™

- Industrial Inspection
- Experimental Setups
- Machine Vision Solutions

InfiniGage™

- Industrial Inspection
- Experimental Setups
- Machine Vision Solutions

InfiniStix™

- Industrial Inspection
- Experimental Setups
- Machine Vision Solutions

InfiniFlex™

- Industrial Inspection
- Experimental Setups
- Machine Vision Solutions

InfiniMini™

- Industrial Inspection
- Experimental Setups
- Machine Vision Solutions

InfiniMite™

- Industrial Inspection
- Experimental Setups

Product Guide

AWARD WINNING TECHNOLOGY

- Cinema & Production
- Industrial Inspection
- Experimental Setups
- High-Speed Imaging
- Macro, Biological & Entomological
- Forensics
- Machine Vision Solutions

MikroMak™

- Cinema & Production
- Experimental Setups
- High-Speed Imaging

InfiniProbe™ TS-160

- Cinema & Production
- Macro, Biological & Entomological
- Forensics

InfiniProbe™ MS

- Industrial Inspection
- Experimental Setups
- Machine Vision Solutions
- Macro, Biological & Entomological
- Forensics

InfiniProbe™ C-Mount

- Industrial Inspection
- Experimental Setups
- Machine Vision Solutions

KC VideoMax™

- Cinema & Production
- Industrial Inspection
- Experimental Setups
- High-Speed Imaging
- Macro, Biological & Entomological
- Forensics

KX InfiniMax™

- Industrial Inspection
- Experimental Setups
- High-Speed Imaging
- Macro, Biological & Entomological
- Forensics

K1 CentriMax™

- Cinema & Production
- Industrial Inspection
- Experimental Setups
- High-Speed Imaging
- Macro, Biological & Entomological
- Forensics

K2 DistaMax™

- Cinema & Production
- Industrial Inspection
- Experimental Setups
- High-Speed Imaging
- Macro, Biological & Entomological
- Forensics
